

17th DOCOMOMO Germany Conference **MODERN MOVEMENT & DIGITAL CHALLENGES**

Friday, 6th March 2020 | Berlin, Akademie der Künste

The international conference discusses different aspects of digitisation related to archives, museum, social media, planning and design tools. How digital tools can help to involve different stakeholders to communicate and disseminate the concepts, visions and impulses emanating from modern movement?

Keynotes

Andrew Kiel / Matthias Sauerbruch

Modern, Experimental und Digital: Design Models for the 21st century
